RE: Arizona Water Company Application to Extend CC&N, Docket No. W-01445A-06-0199

To whom it may concern;

We are the property owners of approximately 3,500 acres of land located in the Stanfield, Arizona area, known as Jorde Hacienda and El Dorado.

Santa Cruz Water Company was the water company that we elected to go with for water utility service because of their proven track record and their ability to perform.

According to Docket No. W-01445A-06-0199, Arizona Water Company is requesting an extension to their CC&N to service a larger area that includes our project. They attached our request for service to Santa Cruz Water Company without our consent. Please remove our project from Arizona Water Company's application. Contact me with any questions at 480-831-2000.

Sincerely,

Seth Keeler
